## Regulation D Offerings Company Filings

Under the federal securities laws

Even if a company takes advantage of an exemption from registration, a company should take care to provide sufficient information to investors to avoid violating the antifraud provisions of the securities laws. This means that any information a company provides to investors must be free from false or misleading statements. Similarly, a company should not exclude any information if the omission makes what is provided to investors false or misleading.

Effectiveness Date: 2024-12-10
